Hare: *I Like It Hard*

Scribe: *Slippery When Wet*

We were all lazing about the pool when we decided to guess what was in Pucker's drink. She was acting a little weird. **Cum Honour**, **Wet Spot**, **Can't Ilingus**, **Dick See Cup**, **Crash**, and **Slippery** took turns asking questions: does it come from this century, does it give you super powers, who else drinks that drink? We could not get it and when she finally told us we still didn't know what it was. Then **Mount Me** walked in with a tonne of sunscreen all over her face and said, "oh Sweet, you're drinking a 'whatever' cocktail" We still didn't recognize it.

DickSee Cup said, *I Like It Hard* was wanting to go for a run on the beach so we wandered down there to find to join. We said, "Where is **Cum See My Box**". She's been in her hotel room for weeks, someone should go check in on her. As soon as we got there **Cum Honour** realized he forgot his phone at the pool and he told **Wet Spot** to go get it and to tell everyone that it was her phone. While waiting in the circle **Cum Honour** asked each of us who we wanted to have sex with. I thought it was a weird question but he is the RA so we must comply.

Mobey's, **Grabbin**, and **Lady Ms Dazey** said they would have sex with a witch. But **Dazey** specified a "country witch" Ok, that was oddly specific. Also, **Grabbin** and **Mobey's** are in for a hell of a threesome. **Ancient Wee Little Bladder** blurted out 'gorilla'. I thought he'd say sheep. **Don't Know Dick** answered, "The Devil". Are we surprised? **Lady Pucker Sucker** sang out, 'Aunty Gladys'. Ok, she is keeping it in the family. **Slippery** said Cat Woman and **Crash** replied; Bat Man. Who's gonna tell them? **Pussyfoot** told us she'd sleep with a Cat. Now that's self love! **Can't Ilingus** cried out, 'a Vegan' and he also told us he wants to be known as CAN Ilingus from now on. Sorry **Can't Ilingus**, it doesn't work that way. **Mount Me** croaked, 'The Joker'. She finally went to the dark side I guess. **I like it Hard**, our hare, sheepishly said 'Richard Simmons'. Oh my, the things you find out in circle time. For **Dick See Cup**, it was 'Picachu'. Is that even possible? When **Wet Spot** came back she admitted it was 'Deviled Eggs' We don't judge; despite the beastiality, incest and unrealistic fantasy. But **Cum Honour** told us his sex fetish was 'Jesus'. Like, he'd have a shot with Jesus.

Finally, we were ready to run. Some ran up the beach and some ran down the beach but **Pucker** ran straight into a vortex and we didn't see her until much later. **I like it Hard** planned a ReGroup to a cool swim up bar. Sitting there were; **Mz Dazey**, **Don't Know Dick**, **Mount Me** and **Wee**. They didn't even walk there! They stole a resort cart! They were punished later. Some people left stuff behind at the bar and the pool but whatever. And I think **Wee** peed in the pool. We had a shot of Burt Renolds and OnOn was called.

Running and yelling 'OnOn' down the beach causes people to stare. We are used to it. But running in pleather is not recommended. No matter, we were on our way to the hash hold so we had a pep in our step. **Dick See Cup** was first to round the corner and he quickly turned around. He spotted some Mexican Federali napping under a palm tree. We collectively decided to meet back at the beach where we parked our lawn chairs. **Pucker** and **Slippery** were the only ones who went the right way back. We

circled back to the main beach and the rest of the group decided to try and cross a lagoon. Somehow the walkers were in on the popo so they went straight to the pool too.

*Several punishments were doled out. **Slippery** was punished for forgetting stuff at the bar and I don't remember any others. If I were to make them up I'd say; **Wee**, **Dazey**, and **MM**, and **DKD** were punished for peeing in the pool and stealing a golf cart. I Like It Hard for inviting the Mexican Police to the party, and **Cum Honour** for asking invasive questions. And **Pussy** was rewarded for saying OnON. We should have punished **Cum Honour** for delusions of grandeur.*

It was time to ONON. We all hit this dingy little beach bar called 'JD's. We had some good food and drink and then headed home. Perhaps we will do this all again next week. See ya down at the pool.
