## Run #1296

**Hare:** *Titties N Tassles*

**Location:** *Kin Canyon*

*Listen up you filthy animals..*

'Twas the night before December, when all  
through the Forrest, [™ DickSee ]  
Not a hasher was running, not even **TNT**.  
The trail was set by the hare with care,  
In hopes that all her friends soon would be  
there.

You know **Wet Spot**, and **Mount Me**, and  
**Pucker** and **Dick See**,  
**Cum See**, **Pussy**, and **Mobey's** and **Grabin'**,  
and **Slippery** and **Crash**, and **TNT** and  
**I Like it Hard**, and **Andy...**

But do you recall The most famous hasher of all

♫ Cum Honour's, the worst RAaa  
Has a very easy job  
And if you ever did it  
You would even say he blows  
All of the other hashers

Used to laugh and call him names  
They never let poor Honour  
Join in any hasher games  
Then one foggy hashing run  
Hashers came to say  
"Cum Honour, with your brain so light  
Won't you name our hasher tonight?"  
Then Gabby became 'Fetus Deletus'  
And we shouted out with glee  
'Cum Honour, is the worst RAaa  
You'll go down in history"

*"You sit on a throne of lies."*

Then, at the hash hold we had a snack. As  
Hashers as we try to stick to the four main food  
groups; beer, chips, licorice and cookies. Then,  
we finished off the night with lots of singing. The  
best way to spread hashing cheer is singing loud  
for all to hear.

And to all a good Night....
