Run: 1300 – January 8

Hare: Slippery When Wet

Start: Camis

On On: Cilantro & Chive

Scribe: Cantilingus

Whew, it has been awhile since we have gotten together seeing as Christmas and New Years were on a Thursday. We are all a little bit older and a little bit wiser and totally ready to get sweating and our hearts pumping. The Vat was the perfect place for a cozy prelube as we caught up and shared stories about how we made the world a better place. So cozy that it was time for two drinks instead of one. Our run took us through the lit up Capstone area which was comparable to a winter wonderland. The perfect temperature for a perfect run to kick off 2026. At the hashhold, **Cantilingus** brought out the golden comedy material that had everyone in stitches (I swear that's how it happened). When we made our way to Cilantro & Chive, we got to become even more wise as the trivia cards came out and everybody left feeling smarter than they did when they entered.
