Pre-Lube: Murphs

Hare: Lady Ms. Dazey

Circle Up: Woodlea Playground (5505 40th Ave.)

On-On: Murphs

Scribe: Dick-See Cup

Murphs was the place to be  
But, upon arrival, no Hashers did I see  
**Sir Wee Little Bladder** arrived shortly after  
But still no Hashers. Sadness, no laughter.

**Lady Ms. Dazey** set us some trail  
Attendance was sparse, vacationers were of  
no avail.

**Lady Cum See My Box** made it just in time.  
Our RA didn't even show. Fuck Him, we'll be fine.

**Dick-See Cup** led the circle, flour was displayed  
**Lady Pucker Sucker** was off, of course the wrong way.  
**Titties 'N' Tassles** led the pack of three, at least for a while  
And **Sir Wee Little Bladder**, running hared from the Subaru; we just followed his smile.

**Mount Me Royally** kept **Cum See** and **Dazey** in check  
I assumed with stories and jokes, in the nature of red-neck.  
We lost **Pucker Sucker** along the way, one or two times  
Then a third at the end. She was punished for her crimes.

Bloody wind came up fast, tried to ruin our fun.  
But we had Drinks & Good Snacks; ain't fucking up our run.  
Swill was a bit warm, but fuck it we said  
Another run in the books, better than being dead

On-Fucking-On!
