Run: #1317 April 30th

Location: Behind Red Deer Arena (Old Kinex site)

Hare: TNT

Scribe: Pussy Foot

On Thursday April 30th the sun finally shone down on Red Deer H3 for the first time in ages, and the curse of cold-ass Thursdays was lifted.

TNT set a beautiful trail starting at the Kinex arena that was well marked and contained many check backs.

The hashers in attendance were **TNT, Cum Honor, Come See My Box, Lady Ms Daisy, Mount Me, Lady Pucker Sucker, Dick See Cup, Wet Spot, Pussy Foot, and Kelsey.**

Cum honor puked at the end of the run claiming he wish it had happened earlier so he could have ran faster, he was of course punished for this act of competitive behaviour.

Other punishments included **Cum See My Box and Pussy Foot** for being tardy. Or re-tardy as the fellow hashers decided. **Dick See Cup** and **Lady Pucker Sucker** made their own trail. And a reward for **Kelsey** for laughing at the songs she had never heard before.

The on on took place at OJs and it was so nice out the hashers were able to enjoy the patio. Cheers to patio season.
