History was made tonight in Red Deer, Alberta when the famous Tour De France visited our sleepy town. **Sir Curb Crawler** was knighted after 25 years of hashing AND **Prickly Bush** made a special appearance to honour the occasion.

Speaking of honour, **Cum Honour**, **Wet Spot**, **Dick See Cup** and **I Like It Hard** entered the competition on skate boards. Ironically, they were all eliminated for doping. That may be why **I like It Hard** bit the dust on trail. (video evidence shot by **Cum Honour**).

Since this was hashing and competition is frowned upon they did not crown a champion but it was definitely **Slippery When Wet**.

Hot Goss

Crash Test Rummy did not Crash. He did, however, cause two accidents.

Mount Me, the hare set trail at Heritage Ranch. She said it took two days to complete and there are great places to camp if you don't mind horses, rabbits, people, dogs, Canada Geese or the police. Another hasher, **Pucker Sucker** said she was camped out there last week.

Cum See My Box said she had to walk up the last hill because there were a lot of cute chicks on the grass.

Don't Know Dick stated “this is my first time on a bike”

TNT cried “I'm just happy to be with all my friends but later reported **Slippery When Wet** for cheating.

Pussy Foot and **Kelsie** declined the offer to go to the closing ceremonies (aka the ONON) stating they wanted to bike more.

Sir Mobey's of Dickus proclaimed “Hashing night is for exercising and then eating and drinking too much” **'Grabin' Wood** replied, “You call that exercise?”

Again, a huge Cuntgradulations to **Sir Curb Crawler**!

ONON Slippery,
