What a wonderful hot day this was!

Perfect time for the tent caterpillars to slink on as we run, what lazy fucks!

We stomped on them as we out-paced them into the trails, which didn't match **Cum See** taking a rope to the knee!

I must acknowledge **JUST KELSEY** for her pastel purple fit.

On that tangent, most of us ARE GOTHs.

Some of us hashers were punished, including **Pussy Foot**, **Just Kelsey**, and **Mount Me** for being Goths. **Cum Honour** specifically for being a “Dad Goth,” term which I coined myself (**Wet Spot**). I wasn't which is shocking to me cause I'm an Actual Goth, just not today.

Cum Honour confused the number of the run YET AGAIN, which was fine cause none of us knew, or use Google.

JUST NEAL joined us for the third time, always deciding to cum when there's extreme weather afoot. Last time was a blizzard.

CUM SEE was exactly on time to the dot which was surprising.

The OnOn's were placed in obscure places, in random not-running trails/grass which placed an aura of confusion onto the highly dehydrated/sweaty running crew.

We're talking +25.

We haven't climatized.

A slow roll of walking/running from almost hasher, including **GRABBIN' WOOD** and **CRASH**.

DICK SEE is an FRB as usual.

Ran on the side of an ACTIVE ball tourney which was hilarious, cause we were yelling "On On" as they were yelling critical sports coaching shouts.

That didn't piss anyone off.

When we eventually hit the Hash Hold, we nearly collapsed and were greeted with awesome snacks and bebies from the impromptu Hare **SLIPPERY WHEN WET**, which she did an AMAZING job GRACIOUSLY GUIDING us with HER MAP (she didn't pay me to say this).

Amazing Time!!

Killed it (as in caterpillars)
