This Hash was a beautiful sunny day to run alongside many cute critters at the off-leash dog park!
We had many Hashers of old, and new, with a special "guest" appearance by the

Blowin' Brothers (trademarked) once the Hash was Cracked, of course.
Great turn out. Kick off to the summer!
Thank you everyone for attending.

Now, to the brass tacks.
I do want to bring attention to an unwanted social media presence we seem to be garnering recently.

I recently discovered this disparaging post on Facebook in regards to **RDH3**, and with our online history, I believe we should be considering our next actions, legally.

Dick See, we will have to have a conversation about the use of multiple medium of purple chalk, spray paint, flour, and what is acceptable to use for public marking trails, in light of this new information. New protocol needs to be put into place. Attached is the related photo.
Thank you for your attention to this matter.

Warm Regards, **Wet Spot.**
