Run: 1326

Hare: Sir Mobey's of Di**C**kus

Run start: Mckenzie Trails (n**O** relatio**N** to 'just' Mackenzie)

Prelube: Murphs

ONON: It's a secret

Scribe: Slippery When Wet

What a **G**reat night! So fricken hot and so many mosquitos! Those bitches were busy last yea**R**.

During the prelube we were visited by two h**A**shers that will go nameless because they did no**T** attend the
r**U**n. Suck it! We might see them **L**ater. It's **A**lways nice to see **T**hem

To stay clear of mosquit**O**s pe**O**ple were in**N**side at Murph**S**; Wee Little Bladder, but no Lad**y**, she came
after. The Hares; Sir M**O**bey's of Dick**U**s and Gr**A**bin' Wood, and Crash Test Rummy, S**L**ippery When Wet,
Titties and Tassles were there as we **L**I. We were served by Wet Spot's twin and then we raced to the run
start because I always forget I **H**ave to pee.

At the run start a lot more were there. A **V**isitor or virgin nam**E**d Krista, Can**T**ilingus, Cum **H**ounour, W**E**t
Spot, **W**hore S**E**igher, Lady Mz Dazey, Lady Cum **S**ee My Box, **T**he abse**N**t hasher; Don't know Dick,
Pussyfoot, D**I**ck See Cup, Mackenzie, and ... I think that's it.

After punishments and an **L**earning about the p**E**nis slee**V**e we went to the hares' house for hot dogs and a
f**I**re. The two unnamed hashe**R**s were there too! Sir c**U**rb Crawler and Prickly Bu**S**h! You two are lucky I
needed more letters for my puzzle.
