The MoNTy PyThOn Run

Hare: Mount Me

Thank you **Mount Me** for a great event. Sadly it appears that a number of hashers know little of the wisdom and humour or the Python's, so I will try to impart some knowledge here. All great scribes should make hashers smarter by reading them. Sorry about the YouTube commercials.....

The costumes:

We had 2 killer rabbits (**Mount Me** and **Lady Cum See My Box**) -

And 3 transplant surgeons (**Slippery When Wet**, **Crash Test Rummy** and **Dick See Cup**) -

<https://www.youtube.com/watch?v=Sp-pU8TFsg0>

And 3 hell's grannies (**Lady Ms Dazey**, **Grabbin Wood** and **Sir Mobey's of Dickus**) –

And, of course, the owner of a dead parrot (**Sir Wee Little Bladder**) -

There were 2 'costumes' I was a little unsure of (**TNT** and **Just McKenzie**), but they appeared to be beautiful maidens from the Castle Anthrax -

The run was based on the questions 3 from the Bridge of Death -

One of the checks referred to the Knights Who Say 'Ni!'

And following the same theme, the Grail was found by **Just McKenzie** on a lovely shrubbery.

At the circle up, there was fear we were being watched and that police could be appearing shortly, which is also how the Quest for the Holy Grail ended -

Thanks all for coming out!
