Hares: Cantilingus

Circle Up: Kentwood Alliance Church

Prelube: 50 North

OnOn: LBG's

Scribe: Wet Spot

Started at a church of all places, first trail **Cantilingus** set by himself and it was a success!

Small group of hashers today, probably due to some holy curse preventing the worst of us to step foot on Jesus Land.

Like they have better things to do.

Initially forgot to drop off the Hash at the end so that was a fumble but we recovered from that great tragedy.

Attendees included **Cum See, Dick See, Cum Honour, Just MacKenzie, Mobey, and Wet Spot.**

Just Mackenzie is now... -drum roll please- ... **PUSSY MAGNET!**

Due to all the pussy she attracted on a run once. Must be the cat treats she keeps in her pockets.

We also attracted a wild stranger walking around eating a bag of cereal who joined us for half the circle up. She seemed confused by all this shenanigans, for... reasons.

We sang sinful songs in the church parking lot, then proceeded to the On-On.
