The Case of the missing Hasher:

Case notes from Detective Sergeant Whinslow Ward:

The group claimed to have a regular hashing night but this running group rode bicycles instead. Six Suspects and the victim were in attendance at the Prelube; **Taryn Nova Tatum**, **Poppy Bloom**, **Sloane Whyn Whett**, **Clamor T. Morgan**, **Charles Honour**, **Wren Spott** and **Caleb Curb**.

Five more joined the run/cycle start; **Georgia Wood**, **Dick Samuel Cole**, **Cato Booty**, virgin **Brenda** and **Cordelia Sia Maya Box**.

Wren Spott was last seen at the Hash Hold. These are the case notes from Detective Sergeant Whinslow Ward;

Interview number 1; Hare: **Taryn Nova Tatum**

Question: Why did you set a bicycle trail when you have two perfectly good legs to run? Were you conspiring to commit murder?

Interview number 2; Co Hare **Sloane Whyn Whett**

Question: Why did you volunteer to help the hare set trail? Were you scoping out a good place to hide a body?

Interview number 3: **Clamor T Morgan**

Question: When you ran down **Georgia Wood** on the steep embankment nearling killing her were you practicing murder?

Interview number 4: **Georgia Wood**

Question: When **Clamor T Morgan** almost killed you on that steep embankment did you get the idea to do that to someone else? And when you did not come to the ONON were you hiding the body? Did you know that the victim also did not attend the ONON? I bet you did know that!
WHERE IS SHE?

Interview number 5: **Poppy Bloom**

Question: At the prelube you said it takes 11 minutes to bike to the run start. Do you know that because you had planned to murder the victim?

Interview number 6: **Caleb Curb**

Question: After months of not attending hash, why come to this one? And why did you volunteer to go out and find the missing hasher? Was that for an alibi?

Interview number 7_(seven): **Cordelia Sia Maya Box**

Question: Why were you on time for the run start? Did you need extra time to co-conspire with the other hashers? Was this a group effort?

Interview number 8: **Dick Samuel Cole**

Question: You biked back to the run start without anyone seeing you? What were you doing all alone? Murdering?

Interview number 9: **Cato Booty**

Question: What kind of name is Cato? Sounds like a murderer to me. Did you injure your arm committing murder?

Interview number 10: **Virgin Brenda**

Question: Why did you show up with your trunk wide open? Were you hiding murder weapons in the woods and forget to close your trunk? What do you have against the victim?

Interview Number 11: "Victim's Husband" **Charles Honour**

Question: Why did you ask for a ride to the hash when you had 17 vehicles in your driveway? When did you last see the missing woman?

At this point the interview stopped and Detective Sergeant Whinslow Ward was put on Administrative leave. The victim **Wren Spott** was just late coming back to the run start because she was fucking drunk. Hashers be Hashing.
